

## CAR CARE ADDITIVES ACCESSORIES

## Car care

## **Cockpit polish**

Cockpit polishes ZOLLEX are effective products of care for plastic details of passenger compartment. They may be used for cleaning and renewal of passenger compartment details (dashboard, control panel, unpainted bumpers, rubber and plastic moldings and other details of plastic and vinyl). They effectively clean the dirt off the surfaces. They easily penetrate smallest score marks of the details surface and displace the dirt from it.

They renew plastic appearance, give soft brilliance, intensify antistatic properties that prevent dust deposition and do not leave oily film after using and protect.

## Multipurpose foam cleaner

Perfectly cleans and degreases vehicle interiors. Usable for plastic surfaces, fabric and artificial leather. Appropriate for cleaning seats, rims and bumpers. For professional use. Quickly removes stains such as: lipstick, coffee, juices, oils, resin, grease, varnish, remains of soap, tobacco stains and many other stubborn stains.

ID	Product	Carton	Price
704	ZOLLEX Active foam cleaner (multipurpose) 650ml (ZC-233)	12	

## Tire foam cleaner

Cleans, maintains and protects the tires in one operation. Gives black «wet» shine. Prevents aging and cracking. Needs no wiping. Safe for all other parts of vehicle, such as plastic, metal, chrome, aluminum.

ID	Product	Carton	Price
705	ZOLLEX Tire foam cleaner 650ml (ZC-218)	12	

## White lithium grease

High-quality white grease based on lithium with package of additives. Provides long-lasting lubrication and has a water-repellent and heat-resistant properties, contains corrosion inhibitors. Used for lubrication of joints and hinges, hinges and latches, cam pins, cables, track mechanisms, gears and chains, water pumps, guides, speedometer hawsers, mobile belt conveyors, jaws of breaker-spreader, seats' guiding frameworks, brakes and gearshifts, troughs of garage doors and also in other places.

ID	Product	Carton	Price
3766	ZOLLEX White Lithium Grease in spray 400ml (WLG-48)	12	

#### **Contact cleaner**

Cleaner for electrical contacts of electrical connectors. Easily and quickly cleans the contacts from metal oxides and various impurities, reducing the contact resistance and the loss of electrical power. The product does not contain silicone. It restores the electrical conductivity, blocking leakage currents. It does not damage the parts of metals and plastics. It allows you to quickly and easily clean the contacts of the oxides and dirt, saving time and improving the quality of maintenance of electrical equipment.

ID	Product	Carton	Price
3639	ZOLLEX Cleaner for electrical contacts 450 ml (SCC-65)	12	

## Super Start spray

Start spray is used for quick and efficient ignition of petrol and diesel engines of all kinds of vehicles. Used in low outside temperatures. Tested to -60°C. Contains special ingredients which lubricate the engine at the time of ignition.

ID	Product	Carton	Price
2258	ZOLLEX Super start (cold start of engine) 400ml (ZC-213)	12	
2894	ZOLLEX Super start (cold start of engine) 200ml (ZC-114)	24	

## AC cleaner

Spray cleans the ventilation and air conditioning system and neutralizes unpleasant odor. It has a pleasant smell with a deodorizing effect.

ID	Product	Carton	Price
2234	ZOLLEX Air conditioner disinfectant one-time use 220 ml (S-100Z)	24	
2236	ZOLLEX Air conditioner disinfectant (reusable) 220 ml (S-200Z)	24	

#### **Rust remover**

Rust remover contains active ingredients which have high penetrating and dissolving power. Provides an easy loosening for rusted threads. Lubricates the friction surfaces and eliminates parts squeaking and sticking. Protects metal parts from corrosion and rust. Cleanses the surface from old grease and oily dirt. Removes rust and prevents corrosion. Dissolves insoluble technical dirt. No adverse impact on lacquered surfaces.

ID	Product	Carton	Price
2709	ZOLLEX Rust remover (penetrant) (P326) 450 ml	12	

## **De-Rust lubricating spray**

The new synthetic structure of DX-88 enables easy rust removal, cleaning all types of stains, and application on all types of surfaces. It can be used even on the most complex mechanisms, as it creates an extremely thin non-stick layer, which does not attract dust.

ID	Product	Carton	Price
3440	ZOLLEX De-rust DX-88 Smart straw 277ml EM-278P	24	

#### Brake cleaner

Provides cleaning and degreasing of brake pads, discs, drums and cylinders, as well as other metal surfaces and parts. Significantly reduces heating of various parts of the brake mechanism and increases braking performance. It has powerful jet stream and works perfectly from every angle.

ID	Product	Carton	Price
3640	ZOLLEX Brake cleaner (B-050Z) 500 ml big	12	

### Carb and choke cleaner

Quickly and effectively cleans the carburetor nozzles, pipes, valves and float chamber. Dissolves and removes carbon deposits, soluble varnish deposits which interfere with the carburetor and other working parts.

ID	Product	Carton	Price
187	ZOLLEX CARB & CHOKE CLEANER - spray 450ml (ZC-200)	12	

#### **Tire Doctor**

It is 100% applicable to breach holes within 6 mm diameter on tubeless rubber tires of cars, motorcycles and electrical bicycles. No jack or tyre-undo is needed. It forms a solid plug to stop the leak. Does not influence the wheel balancing, the wheel remains in active position, prevents the formation of air leaks in the future. It can be used in temperatures up to -18°C. In lower temperatures, warm up the bottle (recommended in warm water below 40°C). Does not cause rust formation on the inner surface of the wheel.

ID	Product	Carton	Price
3122	ZOLLEX TIRE SEALER and INFLATOR- TIRE DOCTOR 450ml (T-522Z)	12	

## Silicone spray Silprof 100%

Silicone spray lubricates rubbing surfaces and protects them. Based on silicone, it does not contain mineral oils and fats or chlorinated solvents. It protects and lubricates the surface, forming a clear, very strong film. It lubricates guides covers, seats, traction control carburettor, door and window hinges, cares and protects plastic and rubber, eliminates plastic panels squeaking, penetrating surface deeply. It has a pleasant smell.

ID	Product	Carton	Price
2968	ZOLLEX Silprof 100% silicone spray 110ml (B-99Z)	48	
2232	ZOLLEX Silprof 100% silicone spray 220 ml (B-100Z)	24	

#### Antibitumin & tar remover

Removes resin, tar, traces of insects, bird droppings and road dirt. Can be used to remove protective wax, polish and silicone before repainting the vehicle. Does not damage the vehicle paint coating.

ID	Product	Carton	Price
2710	ZOLLEX ANTIBITUMIN TAR REMOVER 450 ml (B-111Z)	12	

## **Underbody protection - black**

Underbody protection provides effective and durable corrosion protection for all kind of vehicles. The protective layer formed on the treated surface is long-lasting wear and salt water resistant and also protects the chassis against damages (e.g. gravel). The aerosol spray makes it possible to apply on hard to reach areas. It can be used also for covering up the damages on chassis. It is high and low temperature  $-25^{\circ}$ C and  $+50^{\circ}$ C resistant. Surface drying time: 30 min, all together -24h.

ID	Product	Carton	Price
3284	ZOLLEX Underbody Protection 520 ml (UN-18)	12	

## **De-Icer**

ZOLLEX DE-ICER for quick and safe removal of snow and ice from the windows, mirrors and headlights of your vehicle. Prevents re-icing. Safe for paint, rubber and plastic body parts. Does not leave streaks. Note: at temperatures below - 30 °C and severe icing, it is recommended to treat the surface twice.

ID	Product	Carton	Price
3764	ZOLLEX DE-ICER (DS07) 750ml	12	

#### **Engine cleaner**

ZOLLEX Engine cleaner is intended for the external cleaning of the engine and the engine compartment. The active ingredients dissolve quickly even the most dense deposits of oil, grease, antifreeze, fuel and other fluids.

ID	Product	Carton	Price
3214	ZOLLEX Engine Cleaner (EC-059) 750ml	12	

#### **Glass cleaner**

ZOLLEX Glass cleaner is used for cleaning the interior and exterior glass surfaces of the vehicle. It has a high cleaning power. It does not leave streaks. It is water-repellent and has anti-misting effect.

ID	Product	Carton	Price
3197	ZOLLEX Glass Cleaner (LC-034) 750ml	12	

## **Plastic cleaner**

ID	Product	Carton	Price
3215	ZOLLEX Plastic Cleaner (CPL75) 750ml	12	

ZOLLEX plastic cleaner efficiently cleans, renews and protects all plastic parts.

## **Textile cleaner**

ZOLLEX Textile cleaner is used for deep cleaning of all kinds of fabric. It penetrates deep into the structure of fabric and actively cleans it. Easily removes spilled drinks and food stains. It helps to restore the original appearance and color of the product. It has a pleasant smell. Does not leave streaks.

ID	Product	Carton	Price
3217	ZOLLEX Textile Cleaner (FC-063B) 750ml	12	

#### **Insect remover**

ZOLLEX Cleaning spray for contactless removing traces of insects, bird droppings, pollen from all surfaces of cars and trucks. The agent has a high cleaning capability, and does not damage the coating or other parts of the body.

ID	Product	Carton	Price
3385	ZOLLEX Insect Remover 750ml (SR-043)	12	

### Leather cleaner

ZOLLEX leather cleaner - use this product for gentle care and clean of leather car interior. It will neutralize odors. Does not leave stains and greasy residue. It forms a protective film, which prevents drying out and cracking. Treated surface is also not slippery. After cleaning with this product, it is recommended to treat the leather with «Zollex Leather conditioner".

ID	Product	Carton	Price
3297	ZOLLEX Leather Cleaner (VP-055) 750ml	12	

## Leather conditioner

ZOLLEX Leather conditioner is used for delicate care of leather. It moisturizes and restores leather elasticity, giving the leather a new look. It protects the surface from ultraviolet radiation and prevents cracking and premature aging of leather. Before applying, it is recommended to clean the leather with «Zollex leather cleaner».

ID	Product	Carton	Price
3296	ZOLLEX Leather Conditioner (CP-056B) 750ml	12	

## **Plastic polish**

ZOLLEX plastic polish for cleansing and protection of plastic, wood and rubber surfaces. It prevents aging and cracking, restores the structure of the material. It has an antistatic effect. It protects against dust, dirt and grease. Leaves a glossy effect and a pleasant smell.

ID	Product	Carton	Price
3400	ZOLLEX Plastic Polish Vanilla (ML75VA) 750ml (GLOSS EFFECT)	12	
3198	ZOLLEX Plastic Polish (ML75LE) 750ml	12	

## **Diamond polish**

ZOLLEX diamond polish is an innovative product 3 in 1 - wax, polish, protection. It provides a stable protective film against UV, water, dust and dirt. It gives the treated surface more color depth. Suitable for all paint coatings. The protective layer is not washed off within a month.

ID	Product	Carton	Price
3218	ZOLLEX Diamond polish (BP-085G) 750ml	12	

## Quick wax

ZOLLEX Quick wax is designed for quick drying after washing the car. It promotes rapid runoff of water and gives additional protection from environmental factors such as UV radiation. Does not leave traces and streaks. It provides a high level of gloss. Restores natural color. Suitable for all types of paint.

	ID	Product	Carton	Price
3	343	ZOLLEX Quick Wax (SF-033) 750ml	12	

## Tire polish

ZOLLEX tire shine polish cleans and protects your tires making them black like new, with increased shine. Quickly restores the original appearance of tires, making them clean and bright. It softens all types of rubber and protects against cracking.

ID	Product	Carton	Price
3220	ZOLLEX Tire Polish (TR-039) 750ml	12	

#### Wheel cleaner

ZOLLEX Whell cleaner for external cleaning of wheels from dirt of any type. Active components easily and effectively remove spots of oil, grease and brake dust mixed with mud. The product prevents the accumulation of dirt. Cleaner is safe for tires. It is convenient to use and it doesn't require dilution.

ID	Product	Carton	Price
3387	ZOLLEX Wheel Cleaner Regular ALKALINE BASED 750ml	12	

## **Universal cleaner**

ZOLLEX Universal 3 in 1 cleaning spray for the whole car quickly and effectively cleans textiles, vinyl, plastic and glass. It doesn't contain alcohol, and doesn't leave stains. It removes most stains. Recovers original form and color. It has a pleasant smell.

ID	Product	Carton	Price
3216	ZOLLEX Universal Cleaner (CCS75) 750ml	12	

## Silicone for rubber with sponge

Specially designed for rubber in car doors - prevents frost and icing. Lubricates surfaces and protects them. Based on silicone, it does not contain mineral oils and fats or chlorinated solvents. It protects and lub ricates the surface, forming a clear, very strong film.

ID	Product	Carton	Price
3762	ZOLLEX silicone with sponge (SG-010)	42	

## **Express De-Icer with scraper**

Removes snow and ice from glass, lights, mirrors and windshield of your car quickly, easily and safely. Prevents the formation of ice and stops snow from sticking. Defrosts door locks and seals. Will not damage paintwork and is also safe for chrome, plastic and rubber surfaces. Effective up to -30°C. It is recommended for all types of vehicles (cars, buses, trucks).

ID	Product	Carton	Price
2895	ZOLLEX Express De-Icer 400ml (CM-169)	12	

## Windshield cleaner concentrate 1:100

ZOLLEX summer windshield cleaner easily removes oil, silicone, insect residues, as well as other road dirt. Safe for lacquer, plastic and rubber surfaces. Does not leave any stains. Economical in use: you can get 2,5 liters of ready screen washer from 25 ml of concentrate. For mixing with water in a ratio of 1:100.

ID	Product	Carton	Price
3340	ZOLLEX summer washing fluid (ZC-255) 200 ml Sea Fresh 1:100	24	
3341	ZOLLEX summer washing fluid (ZC-625) 200 ml Lemon 1:100	24	

#### Car shampoo

ZOLLEX Car shampoo concentrate with WAX – Zollex EXTRA. Effectively cleans and gently removes all types of dirt (soot, oil stains, traces of insects and others) from any surface. Creates a protective film that protects from water and dirt. Economical use

191	ZOLLEX MICROFIBER grey ZP-0052	120	

## Synthetic chamois

ZOLLEX Synthetic chamois easily removes all kinds of dirt and stains. For professional usage and usage in every day cleaning.

ID	Product	Carton	Price
131	ZOLLEX synthetic chamois in tube small ZTF-200	12	
132	ZOLLEX synthetic chamois in tube big ZTF-300	12	

## **Microfiber glove**

ZOLLEX Car washing glove with net is rerfect for car washing, because it removes the insect stains and leaves no scratches. It may also be used for dust wiping from various surfaces. It has high strength and durability.

ID	Product	Carton	Price
2592	ZOLLEX glove with net ZP-008	100	
2593	ZOLLEX glove big ZP-009	50	

## Sponge

ZOLLEX Sponge with net is perfect for car washing and leaves no scratches. It may also be used for dust wiping from various surfaces. It has high strength and durability.

ID	Product	Carton	Price
2588	ZOLLEX Sponge ZP-011	50	

## **Polishing glove**

ZOLLEX Microfiber polishing glove is soft and leaves no trace. Suitable for polishing of vehicles as well as for cleaning in household.

ID	Product	Carton	Price
2590	ZOLLEX polish glove ZP-007	50	

#### **Injector cleaner**

ZOLLEX injector cleaner - petrol contains additives that have the ability to recover injection characteristics within the consumption of one fuel tank. This product has been specially designed to clean the fuel injectors.

ZOLLEX Injector cleaner - diesel effectively cleans diesel injectors, reduces exhaust fumes, saves fuel, recovers engine power, provides fuel stability while saving, and lubricates parts of the diesel system.

ID	Product	Carton	Price
2656	ZOLLEX injector cleaner diesel 200 ml (DS25J)	24	
2653	ZOLLEX injector cleaner benzin 200 ml (NC25J)	24	

#### **Motor Doctor**

ZOLLEX Motor doctor improves compression and oil pressure and reduces oil consumption in old and worn-out engines. Prevents oil penetrating into the combustion chamber, carbon forming and smoking engine. Slows down ageing of new engines, thus extending their service life. Motor Doctor forms a lubricating film on the surfaces of moving parts, provides reliable engine operation in harsh conditions and ensures easy starting all year round. It can be mixed with all synthetic and mineral oils and can be added to the new engine oil with each change. One can is enough for oil systems of up to 6 litres.

ID	Product	Carton	Price
2618	ZOLLEX OIL TREATMENT - Motor Doctor 325 ml (ZC-618)	24	

## Engine flush

ZOLLEX Engine flush removes sludge and varnish from insoluble parts in the engine oil system. Can be used at each change of engine oil.

ID	Product	Carton	Price
2619	ZOLLEX ENGINE FLUSH 325 ml (ZC-232)	24	

## **Engine stop leak**

ZOLLEX Engine stop leak stops an additive able to restore the gasket elasticity. It is suitable for diesel and petrol engines. The product has no harmful effect on the oxygen sensors and catalysts.

ID	Product	Carton	Price
2652	ZOLLEX ENGINE STOP LEAK OIL 325 ml (E-250Z)	24	

## **Radiator stop leak**

ZOLLEX Radiator stop leak helps eliminate leaks quickly. Safe for use with cooling system parts, copper and aluminum radiators.

ID	Product	Carton	Price
2617	ZOLLEX RADIATOR STOP LEAK 325 ml (ZC-552)	24	
3857	ZOLLEX RADIATOR STOP LEAK 500 ml (SR-306)	20	

### **Radiator flush**

ZOLLEX Radiator flush provides an excellent cooling system flush within 10 minutes, removing rust and scale. It does not damage the rubber seals, metal parts and gaskets during use.

ID	Product	Carton	Price
2620	ZOLLEX RADIATOR FLUSH 325 ml (ZC-551)	24	
3858	ZOLLEX RADIATOR FLUSH 500 ml (FR-305)	20	

## DOT - 4 Brake fluid

ZOLLEX Brake fluid DOT-4 is intended for vehicles with hydraulic brake discs and brake drums, as well as for car clutches at temperatures between  $-50^{\circ}$ C to  $+50^{\circ}$ C. The boiling point of the brake fluid is above 230°C.

ID	Product	Carton	Price
3282	ZOLLEX DOT-4 0,5L (FD-405)	24	
3283	ZOLLEX DOT-4 1L (FD-41)	17	

## **Glues/Sealants**

## Gasket maker

ZOLLEX Red gasket maker is suitable for gaskets used in high temperature applications up to 350°C. Excellent heat control and torque retention for overhead cam and timing chain covers. Dries hard and flexible, and improves high temperature performance. Resists most engine fluids.

ID	Product	Carton	Price
3	ZOLLEX Silicone sealant 85g GREY (scentless) 5-GE	12	
2711	ZOLLEX Silicone sealant 85g RED (scentless) 4-RD	12	
2712	ZOLLEX Silicone sealant 85g BLACK (scentless) 3-BL	12	
 3114	ZOLLEX Silicone sealant 85g CLEAR (scentless) 9-BL	12	

## Epoxy glue

ZOLLEX EPOXY adhesive is a high polymer product which solidifies very hard once fully cured. It can sustain high temperatures which makes it fireproof. Does not shrink or deform. Can be used to bond, repair, patch most articles except nylon, silicone, fluorine resin, soft PVC, rubber, polyethylene and polypropylene. Best used for repairing electrical appliance, ceramic tile, wooden, metallic, concrete and glass products.

BLACK is not suitable for insulation.

ID	Product	Carton	Price
706	ZOLLEX GLUE SUPER EPOXY 35g (clear) - mulipurpose (CL-300)	12	
707	ZOLLEX GLUE SUPER EPOXY 35g (black) - steel (ST-400)	12	

## Exhaust system sealant

ZOLLEX Exhaust system sealant is a joint and crack sealer for exhaust system, ceramics, furnace, fireplace. For temperature up to 1100°C. Creates a refractory seam, tightly sealing joints and cracks. Applies soft - sets weld-hard. Includes reinforced screen (142 g version). It has no odor.

ID	Product	Carton	Price
3137	ZOLLEX EXHAUST SYSTEM SEALANT 75 g ES-8090	12	

## **Speedy-Bond**

ZOLLEX Speedy bond is an ultra strong adhesive and filing powder. It can be used just as an adhesive or with the reinforcing powder, that will help you repair almost anything.Rock hard in 7 seconds!

ID	Product	Carton	Price
2739	ZOLLEX SPEEDY BOND grey 10ml + 10ml (SB-295B)	5	
2740	ZOLLEX SPEEDY BOND black 10ml + 10ml (SB-290G)	8	

## Rear view mirror adhesive

ZOLLEX Rear view mirror adhesive is excellent for bonding glass and metal.

ID	Product	Carton	Price
3136	ZOLLEX REAR VIEW MIRROR ADHESIVE 0,9 ml (RM-283)	12	

## Threadlocker

ZOLLEX Thread locker is a high strength material for locking studs or bolts for disassembly where high torque is required. Its high permeation ability into tiny spaces means that it is excellent for use as an anti-rust agent on metals. It is shock and vibration resistant on vehicles, tools, machines and moving parts. It is also resistant against chemicals, oil, etc.

ID	Product	Carton	Price
2657	ZOLLEX THREADLOCKER non-removable10g (BFS-6)	24	
2659	ZOLLEX THREADLOCKER removable 10g (BFU-5)	24	

## Welding epoxy

ZOLLEX Welding epoxy is suitable for use on metal, wood, porcelain, fiberglass surfaces, pipes, electrical connections, seals, ceramics, massage tubs, the majority of plastics, etc.. Weight is not suitable for use with nylon, silicone, fluorine resins, soft PVC, polypropylene, polyethylene or rubber.

ID	Product	Carton	Price
2696	ZOLLEX EPOXY PUTTY 57g (black) (HC-105)	24	
717	ZOLLEX EPOXY PUTTY 57g (white) (HC-250)	24	
713	ZOLLEX EPOXY PUTTY 28g (black) (HC-120)	36	
715	ZOLLEX EPOXY PUTTY 28g (white) (HC-200)	36	

## Super glue

ZOLLEX SUPER is a quick-drying glue for plastic, wood, rubber, leather and ceramics.

ID	Product	Carton	Price
708	ZOLLEX SUPER GLUE 3g (Z0708)	12	

## **Universal glue**

Universal contact adhesive. Ideal for bonding wood, metal, rigid PVC, leather, rubber, felt, plastic, glass, ceramics, porcelain, paper. Not suitable for bonding products which are in contact with food. It sustains temperature up to 120°C.

ID	Product	Carton	Price
3196	ZOLLEX UNIVERSAI GLUE 30g (UG-555)	24	

# **DECO BLIK paints**

## **DECO BLIK RAL paints**

DECO BLIK universal fast drying paint in spray. Can be used on inside and outside surfaces. Completely covers wooden, metal, glass and plastic surfaces. DECO BLIK spray paint is available in RAL colors.

## **Universal CV-boots**

ZOLLEX CV-Boots are made from 100% japanese neoprene. These boots combine flexibility, cut and puncture resistance. They are resistant to oil, gasoline and other oil products (lubricants and fuel) and don't lose their properties under the temperature mode of operation. Includes graffiti grease.

Available in three sizes: small, medium and large.

ID	Product	Carton	Price
2304	ZOLLEX Universal CV-Boot L + grease 65g (large)	1	
2303	ZOLLEX Universal CV-Boot M + grease 65g (medium)	1	
2302	ZOLLEX Universal CV-Boot S + grease 65g (small)	1	

## **Fuel filters**

The filter catridges in the fuel filters ZOLLEX purify the fuel supplied to the injection system as much as possible. The fuel filters are mainly composed of a mixture of cellulose and polyester fibre treated with duroplasts impregnation which increases fuel resistance. The filtering materials have multilayer structure composed of composite materials which increase its ability to absorb the harmful particles for more than 100% in comparison with other filtering elements.
