Tigar AD Serbia is the leading manufacturer, exporter and supplier of quality rubber products and industrial rubber products. We offer complete range of rubber products which includes:

- Rubber footwear – safety footwear, sports footwear, fashion footwear, children`s footwear, general purpose footwear, working footwear
- Rubber technical goods – products for the automotive industry, rubber / metal products for chemical industry and mining, products for construction industry, special purpose products, products from recycled rubber.
- Chemical products - industrial adhesives, adhesives for mining industry, coatings for metal structures, coatings for household appliances, polyurethane flooring, consumer products.

Tigar Rubber Footwear factory is leading manufacturers of rubber footwear in Europe. Established in 1935, Tigar is internationally renowned for products of excellent hand-made rubber boots and shoes with high quality performance. Tigar Rubber Footwear factory steadily built its market base which include Europe, America, Canada, Asia. Product range consists of footwear produced under its own brands : Tigar, Century, Maniera and Brolly and footwear of the world renowned brands, Ilse Jacobsen, Nokian, STC., Lindstrom&Nilsen, Solognac - Decathlon, Italboot etc.

The assortment of footwear that we offer at domestic and foreign markets is really wide. All rubber footwear are hand-made from natural rubber: safety boots (firefighting, forestry, antistatic, mining, forestry firefighting and general protection, in accordance with European standards: EN ISO 20345, EN ISO 17249, EN ISO 20347, EN 15090, EN 50321), working boots, agricultural and country boots, hunting boots, fishing boots and fashion boots.

Tigar Technical rubber was founded in 1966., and includes a wide range of rubber products: rubber hoses, rubber sheets for all purpose, rubber-metal parts, industrial rubber products, rubber membranes, dock fenders, recycled rubber products (sports surfaces, children playground, traffic signs, bollards), sports balls and accessories, rubber coating for mining industry..

Tigar Chemical Products is the youngest factory in the company. In recent years, the subject of trade with Belarus, Bulgaria, Macedonia and South Africa has been the adhesive for cold vulcanization of rubber-textile conveyor belts for mines.

The main export markets are: France, Italy, Romania, Austria, Bulgaria, Czech Republic, Croatia, Poland, Japan, Canada, Portugal, Denmark, Sweden, Brazil, Kosovo, Greece, Turkey, South Africa, Montenegro, Macedonia, Hong Kong, Bosnia, Denmark.

Tigar AD is searching for new markets and customers in order to increase the presence of its products on the world market. The strategic orientation of Tigar Company and production entities is to win new customers, aiming to have a significant role in the world market.

We are ready for any kind of cooperation and collaboration with your companies. You can count on us as reliable business partners.
